

Workshop Meeting – Thursday, June 9, 2016

Meeting was called to order by Joseph Miletta, Mayor at 7:30 p.m.

Bids for the EMS Roof Repair Project were opened by our Solicitor, Tom Seeley, the results were as follows:

McMullen Roofing, Inc. - \$86,500
J. Wilheml Roofing Co, Inc. - \$59,350
Dezign Construction Inc. - \$105,000
Winchester Roofing Corp. - \$98,000

The next order of business was the discussion of the Flood Damage Prevention Ordinance – Erwin wants Tom Seeley to take out the highlighted areas & send in to the state. Tom Seeley advised that he will do that, but wanted to caution the Committee that the state may reject it, as they wanted it adopted as they sent it to us. Tom will have it available for first reading for Monday, June 13, 2016 Township Meeting.

The next order of business was to authorize payment of the approved vouchers. A motion was made by Erwin to approve the vouchers and seconded by Skip.

Next was to discuss who will meet with the gentleman from Comcast in reference to the renewal of the Comcast contract. Joe will meet with him, but stated that it has to be on his terms, it has to be in the evening.

Mr. Seeley took all of the bid specs and will review them in order for the contract to be awarded on Monday, June 13, 2016.

With no further business, the meeting was adjourned at 8:35 p.m.
