The Lawrence Township Planning/Zoning Board held their regular monthly meeting on Wednesday, Nov. 8, 2017. The meeting was held in accordance with the Open Public Meeting Act and was opened by Chairman Al Humeny.

A motion was made by Steve Miletta and seconded by John Tisa to approve the minutes of the Aug. 9, 2017 meeting. No other old business was on the agenda. All in attendance were in favor.

Chairman Al Humeny advised the members that from now on he would not be asking for motions for opening & closing of old & new business, in the event to keep the meeting moving forward in a timely fashion.

The next order of new business on the agenda was Matt Pisarski of the Cumberland County Planning Department with an update of the Cumberland County Farmland Preservation Plan. Mr. Pisarski informed the board that basically there was no change in the maps. There was a change for the Fairfield/Lawrence maps, a small one that he explained. A small discussion was held between Mr. Pisarski and the Board Members as to how farms qualify for the program and other topics related to the Farmland Preservation Program. A motion was made by Steve Miletta and seconded by George Ripper to allow Mr. Pisarski to submit the plans as he presented to the board to the State.

With no further business, a motion was made by Steve Miletta and seconded by George Ripper to adjourn the meeting at 7:45 P.M.

Respectfully submitted,

Kathy Rodman  
Planning/Zoning Board Secretary
